We had these left over from Community Care Ministries a couple of months back so we are using these to fulfill the requirements for Activity 1 of the S-T-R-E-T-C-H Project for the Homemaker badge. Once these are done they will be the centerpieces for the tea party tables.

Setting the tables (5 minutes)

Have Sunbeams use their table setting skills learned last week to set the tables for the tea party.

Allow time for the Sunbeams to get their food and pour drinks. Remind them about their manners during the Etiquette badge from a couple of weeks prior.
