

Sunbeams – Bird Badge Week 2
Tasks 3, 5, and Stretch 2

Welcome & Settling Down (5 minutes)

Task 3 (10 minutes)

Before class print out the Habitat fact sheets (separate PDF) and place them around the room. Have each student pick a habitat to read about and answer the questions for this task.

Stretch 2 (10 minutes)

Before class print out the endangered bird species list (separate PDF) to share with your troop. Talk about why the birds are endangered and have the students offer ideas on what can be done to help them. Have students make a plan to help and share it with the troop.

Task 5 (15 minutes)

Provide these supplies for each girl in your troop: 1 empty toilet paper roll; string, yarn, or ribbon; peanut butter (make sure there are no allergies in your group!); plastic knives or spoons; bird seed; Ziploc bags.

Steps to making birdfeeder:

1. Run string through the inside of the tube (about 12 inches) and tie. This will be used to hang the feeder when it is done.
2. Using a plastic spoon, spread peanut butter on the outside of the tube
3. Roll or sprinkle tube with bird seed until it is covered
4. Place in Ziploc bag to take home

Prayer & Dismissal (5 minutes)
